Re: *Amendola v. Bristol-Myers Squibb Company*, 07 Civ. 6088 (DLC)

Your Honor:

We represent plaintiff and the putative members of the collective action in the above-captioned case. We write to respectfully request a two-day extension of time to file our reply brief in support of our motion for notice pursuant to FLSA § 216(b). The brief is currently due tomorrow, Wednesday, February 27, 2008. We request a brief extension until Friday, February 28, 2008. Defendant consents to extension, and this is the first request for an extension of time to file this reply brief.<sup>1</sup> I am the principal author of the brief and request the extension due to a serious family medical emergency. If the Court wants more information regarding the nature of the emergency, I will provide such information. Thank you for your attention to this matter.

Respectfully Submitted,

Elizabeth S. Saylor

*Reply is due  
 2/29/08.*

<sup>1</sup> The date the reply brief has been moved previously due to extensions the parties jointly requested to file the opening and opposition briefs due to deposition scheduling depositions. The time to file the reply brief, however, was not extended.
